Asher and Madison

Asher and Madison have been working hard inside and outside in the yard doing some clean up. While burning the brush from the dead trees, they cooked "spider dogs" over the fire. They were also able to have an indoor/outdoor easter hunt the day before Easter.

Ms. Melissa

Ms. Melissa has learned how to bake bread and has been enjoying her morning coffee outside on sunny days. She misses everyone!

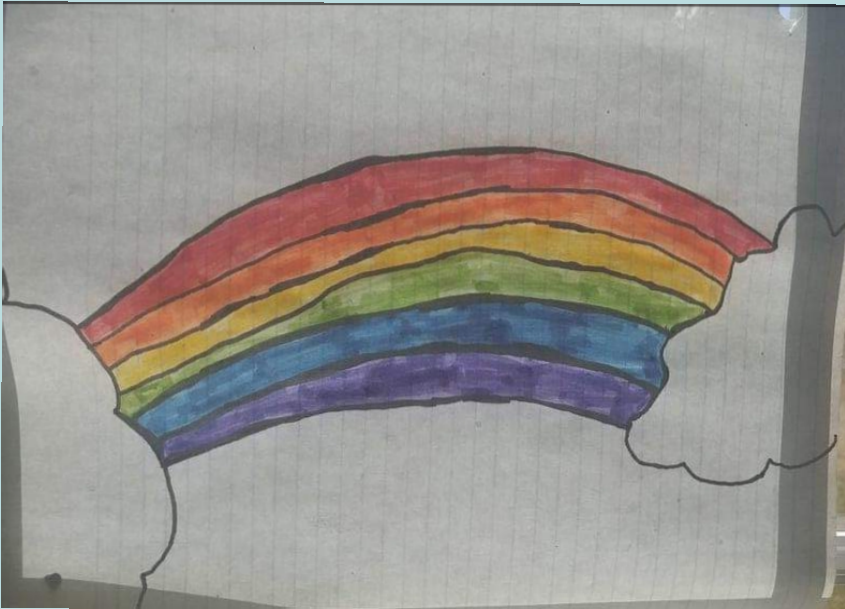

Mrs. Curry

I have been baking, baking, baking, baking!!!
Here are some of the goodies I've made.

I go for a long walk everyday. This beach is near my house and is one of my favourite places to be!
