

Poltimore Elementary School

GOOD News Edition #2

May 22, 2020

Dear Poltimore Family,

Thank you for sharing your photos and updates.

It's wonderful to see the interesting, creative, and family filled activities that are keeping you busy.

I can't wait until we are all back at school together! Stay healthy and safe!

Mrs. Curry

Jayden and Mason

Jayden and Mason are enjoying time outside-- and are spending time with furry and feathery friends!

Leah

Leah has a baby calf named Rosie. Rosie lost her mom, so Leah has been bottle feeding her. Rosie was so happy to be let out in the field and her legs were kicking like crazy! Now Rosie is enjoying time with the other cows!

Audrey and Abigail

Audrey and Abigail are enjoying the beautiful weather and spending lots of time fishing. Audrey is showing her family how it's done!!!
