
Asher and Madison

Madison and Asher have been busy helping with some yard work and playing outside. While enjoying the nice weather, they also helped put up the tent to air it out for future camp outs in the yard. They have been feeding the ducks that come to their pond. Madison also tried curlers for the first time!

Do you have good news or photos to share? Feel free to send any items for upcoming newsletters to Mrs. Curry at acurry@wqsb.qc.ca. Stay healthy and safe!
